An engaging and cherished interaction with the youth contingent from Odisha who were in Delhi to share their ideas and aspirations with Hon'ble PM Narendra Modi ji at the just concluded 'Young Leaders Viksit Bharat Dialogue 2025'.

Glad to host these young changemakers and learn about their experiences and takeaways. Their can-do spirit, innovative zeal and razor-sharp focus has solidified my optimism, particularly on the infinite potential of youth from Odisha in realising the goal of Viksit Bharat.

Our talented #YuvaShakti is full of self-belief, thinks big and is passionate to drive Odisha and India forward. Wish them the best and immense success. May they lead Odisha and India to the zenith of greatness.
