*Education is not the filling of a pail, but the lighting of a fire." – William Butler Yeats.*

Envision a place where the pursuit of knowledge is not merely a journey, but a transformational odyssey, where every interaction ignites the flames of curiosity and kindles the spirit of innovation. Welcome to BIITM, where academic excellence converges with holistic development to sculpt the leaders of tomorrow.

The teachers at BIITM are like guides who help us learn and grow. They have a lot of knowledge and experience, both from books and from working in the real world. They really care about us and work hard to help us succeed. Whether it's explaining difficult concepts, talking with us in class, or giving us advice, they're always there for us. Their dedication to helping us become better people and succeed in life is amazing. BIITM's campus is like a lively town full of energy and fun. It's not just about buildings and classes; it's a place where we feel inspired and supported. The classrooms have cool gadgets, and the libraries are cozy spots filled with tons of books. At BIITM, the placement process is like having a trusted mentor by your side every step of the way. The placement cell works tirelessly to connect us with top companies, organize mock interviews, and provide valuable career guidance. Thanks to their efforts, landing internships and job offer becomes less daunting and more exciting. With BIITM's strong industry connections and hands-on training, we step into the professional world with confidence and competence.

In conclusion, my journey at BIITM has been nothing short of transformative, equipping me with the knowledge, skills, and confidence to navigate the complexities of the business world with resilience and integrity. As I embark on the next chapter of my professional journey, I carry with me fond memories, enduring friendships, and invaluable lessons learned at BIITM – a true epitome of academic excellence and ethical leadership.

*"Believe you can and you're halfway there." - Theodore Roosevelt*

BIITM's placement team embodies the essence of Theodore Roosevelt's enduring wisdom that belief in oneself is the first step towards success. Their commitment to nurturing talent and fostering professional growth creates an environment where students are not only prepared for the challenges of the job market but also empowered to seize opportunities and excel in their chosen fields. At the heart of their approach lies a deep understanding that confidence is the catalyst for achievement. Through a multifaceted array of initiatives, they cultivate a culture of self-belief and determination, guiding students towards realizing their fullest potential.

Central to the placement team's mission is the provision of comprehensive support and resources tailored to the unique needs of each student. From personalized career counseling sessions to skill-building workshops and mock interviews, they leave no stone unturned in ensuring that students are equipped with the tools and knowledge needed to succeed. Their hands-on approach extends beyond traditional classroom settings, with experiential learning opportunities such as internships, industry collaborations, and networking events that offer real-world insights and connections.

Moreover, the placement team serves as more than just facilitators of job placements; they are mentors, advocates, and champions for students throughout their academic journey and beyond. Their guidance and encouragement inspire students to push past their comfort zones, embrace challenges, and pursue their aspirations with confidence and conviction. By fostering meaningful connections between students and industry professionals, they bridge the gap between academia and the workforce, paving the way for seamless transitions from education to employment.

In addition to their role as mentors, the placement team also plays a pivotal role in shaping the curriculum and programs offered by the college. By staying abreast of industry trends and demands, they ensure that students receive relevant and up-to-date training that aligns with the needs of the job market. Through strategic partnerships with leading companies and organizations, they create avenues for students to gain hands-on experience and make meaningful contributions to their respective fields.

As a result of the placement team's tireless efforts and unwavering dedication, BIITM students graduate not only with academic credentials but also with the confidence, skills, and connections needed to thrive in today's competitive job market. Their impact extends far beyond mere job

placements; they are architects of futures, sculpting the next generation of leaders, innovators, and change-makers. In the spirit of Theodore Roosevelt, they believe that with the right support and self-belief, students can indeed go on to achieve greatness, and they spare no effort in helping them do just that.

*"Everyone has two eyes but no one has the same view."*

Let me tell you about my incredible 5-year Integrated MBA (IMBA) course at BIITM. This program gave me a solid foundation in business and management. From day one, I was immersed in a world of knowledge that equipped me with the skills needed for success.

But it wasn't just about the textbooks and lectures. BIITM went above and beyond to ensure my overall growth. They provided a nurturing environment that fostered personal and professional development. The faculty members were experienced, approachable, and always ready to guide us on the path to success.

One thing that truly stood out was the college's dedication to placements. They left no stone unturned in helping us secure promising opportunities. Through career counseling, mock interviews, and industry connections, they prepared us to shine in the competitive job market. Thanks to their efforts, I landed an amazing job even before completing my course!

Moreover, the college offered a range of extracurricular activities that enhanced my grooming and communication skills. From public speaking workshops to leadership programs, they ensured we were well-rounded individuals ready to take on the corporate world.

Overall, my experience at BIITM was nothing short of exceptional. It provided me with a holistic education, a supportive environment, and valuable opportunities. I am forever grateful for the invaluable lessons and memories I gained during my time there, Wishing BIITM a century full of success ahead.

*"A Tradition of Excellence"*

The finest aspect of BIITM was being surrounded by hundreds of fresh talents and passionate individuals who were in charge of shaping my entire childhood and personality. Upon my completion of intermediate studies, the BIITM Integrated MBA program focused on establishing a solid foundation in me. The BIITM culture allows students to fully utilize their time to comprehend and analyze their fundamental viewpoints about the business environment. With its methods and knowledge of the present market situation, the institution equips its students for the challenge they will have to fight on their own for the rest of their lives.

The professors at BIITM are genuinely helpful and extremely knowledgeable in their fields. The additional courses that BIITM offers were a bonus that improves our resumes, which finally found to be traction in the business sector. Individuals' worries of corporate interviews were allayed and faced thanks to the placement cell's ongoing efforts to organize mock tests, seminars, group discussions, and interviews. They offered industry visits and internship opportunities, which allowed us to get a variety of useful knowledge about businesses and industries. The people I met here were from many backgrounds and thought processes, yet we all worked together and learned how to become successful, resourceful people in the future. The friends I made here will always hold a special place in my heart. The Journey was amazing because of the variety of students, the top instructors, and how they treated the other students. I will always treasure the experiences and abilities I acquired at BIITM, and I am appreciative of the education and chances I was given.

*"Management is doing things right; leadership is doing the right things."*

These words echo at BIITM, where education is not just a curriculum, but a tapestry of experiences weaving together knowledge and personal growth. This nurturing environment played a pivotal role in shaping my professional journey. The skills and insights I gained at BIITM opened doors to opportunities I had only dreamt of. Securing placement was a testament to the quality of education and preparation I received. The faculty at BIITM are the cornerstone of its excellence. Their commitment to our success went beyond imparting knowledge; they nurtured our curiosity and honed our skills, ensuring we were not just well-versed but also well-prepared for the challenges ahead. Their mentorship was not just in the classroom but in every interaction,

making learning a holistic and engaging experience.

The campus life at BIITM was not just about academics; it was a melting pot of ideas and cultures. The friendships forged here are not just connections but bonds that will last a lifetime. Each friend brought a new perspective, a new way of thinking that challenged and inspired me to grow. As I look back on my time at BIITM, I am filled with gratitude for the experiences, the friendships and the knowledge that have shaped me into the person I am today as I have learned "The best way to predict the future is to create it." The journey of learning and transformation continues, and I carry with me the lessons and memories from BIITM that will guide me in all my future endeavors.

*"Every challenge, a lesson; every lesson, a win."*

BIITM stands out for its excellent faculty and rigorous curriculum, which together foster a deep understanding of business principles and practical applications. Transitioning from a science background, my journey here was transformative, supported by my parents' unwavering encouragement. The faculty's expert guidance was instrumental in shaping my business acumen, providing a robust foundation that propelled me toward excellence. Additionally, BIITM's commitment to practical skills was evident in their assistance with resume preparation and regular interview and group discussion sessions, which were invaluable.

Receiving job offers from respected companies like MRF, AXIS BANK, and House of Original attests to the quality of BIITM's education and preparation. These opportunities are not only professional milestones but also reflect the dedicated support of many. I am immensely grateful to everyone who contributed to my development. Equipped with the tools and mindset acquired during my MBA as well as valuable inputs from faculty that enhanced my skills, I am prepared to make significant contributions to the corporate sector and face future challenges with enthusiasm and determination.

*"Everyone who remembers his own education remembers teachers, not methods and techniques. The teacher is the heart of the Educational System".*

The above quote perfectly sums up my experience at BIITM. First of all, choosing BIITM was one of the best decisions made by me. It is an excellent institution or educational platform that help students develop into well-rounded professionals ready to take on the challenges on the business world.

BIITM not only helps you in getting academics and domain knowledge but also helps you in building a character that is competitive enough to sustain the pressure in the corporate world. The college had a dedicated placement cell that provide students with assistance in a job placement and internship opportunities which helped a lot. The diversity of students, best teachers and the love/ affection, behavior for students make it remarkable journey. So, today I am grateful and also very much satisfied for the efforts that BIITM has put into making me capable. It was all over my experience at BIITM.

*"Ambition is the path to success. Persistence is the vehicle you arrive in."*

It's the most admired quote by Bill Bradley, and I personally cohere with it. Two years of MBA at BIITM were not just about the books and lectures, but the forging of a visionary in the crucible of knowledge, where every challenge sculpted my aspirations and every achievement was a stepping stone to greatness.

My journey as an MBA student at BIITM has been a transformative one, over here I not just acquired a wealth of academic knowledge but also practical skills that are highly sought after in today's dynamic corporate environment.

Academic Excellence: Throughout my postgraduate program, I was immersed in a rigorous curriculum designed to instill a deep understanding of modern business practices. The courses at BIITM were tailored to bridge the gap between theoretical frameworks and real-world applications, enabling me to master various aspects of business management.

Distinguished Faculty: The faculty at BIITM deserves special mention for their unparalleled dedication to nurturing future business leaders. With a roster of highly experienced and

professionally recognized educators, the college provided an academic atmosphere that was both challenging and supportive. The faculty's mentorship was instrumental in my academic development, offering insights that only seasoned industry veterans could provide.

**Skill Enhancement:** BIITM's active placement cell played a pivotal role in refining my corporate communication abilities and personality traits. Through a series of workshops, seminars, and real-world projects, I honed my skills in negotiation, leadership, and strategic thinking. The placement cell's commitment to student success was evident in their personalized approach to career guidance.

**Career Opportunities:** The culmination of my efforts and the college's robust training programs led to securing job offers from two prestigious companies: Spandana Sphoorty Financial Limited and Savex Technologies Pvt Ltd. These opportunities are a testament to the practical skills and industry-relevant knowledge imparted by BIITM.

**Acknowledgments:** I extend my heartfelt gratitude to the faculty, the placement cell, and my peers at BIITM for their unwavering support and guidance. Together, we have created a legacy of excellence and achievement that will resonate for years to come.

BIITM wasn't just an educational institution; it was a springboard for my professional journey. The positive environment, coupled with the expertise of the faculty, enabled me to flourish both personally and academically. I am proud to be a BIITM alumnus and will always cherish the memories and lessons learned within its walls. My journey at BIITM, pursuing my MBA, was a transformative experience that equipped me with the knowledge, skills, and confidence to thrive in the professional world. BIITM's positive environment and exceptional faculty played a pivotal role in shaping my success story. The strong foundation I received at here, coupled with the unwavering support of my professors, empowered me to secure my dream job at prestigious Federal Bank. I am incredibly grateful for the guidance and mentorship I received during my time at BIITM. I am hopeful that my story will instill some confidence among my fellow junior companions and the future may qualify me to contribute to my Alma mater in some way or the other.

I am incredibly grateful for the opportunity to have pursued my MBA at BIITM. Throughout my time there, I was provided with numerous opportunities to enhance my skills and broaden my knowledge base. The institution's emphasis on practical learning and industry exposure truly prepared me for the professional world. Additionally, I am thankful for the excellent placement opportunities facilitated by BIITM, which have set me on a promising career path.

Having specialized in both Marketing and Human Resource during my MBA at BIITM, I am thrilled to have received job offers from both fields through the college's placement program in Bluestone Jewellery & IMS Group. This dual specialization has equipped me with a diverse skill set and a comprehensive understanding of two vital aspects of business operations. I am grateful for the opportunities presented to me, and I look forward to leveraging my expertise in both marketing and human resource management to contribute effectively in whichever role I choose to pursue.

*"The beautiful thing about learning is that no one can take it away from you."*

These words resonate deeply with me as I embrace the next phase of my life. Regardless of where my career takes me, the knowledge, skills, and experiences gained along the way will forever be mine to cherish and build upon. As my professors and mentors at BIITM, thank you for imparting not just knowledge but wisdom. Your passion for teaching and dedication to our growth have inspired me to strive for excellence in all that I do. Your mentorship has instilled in me the confidence to navigate the complexities of the professional world. Their behavior towards the students was exemplary, and they were always approachable, supportive, and encouraging. They made sure that every student felt valued and heard, creating a nurturing environment for learning. All of these factors played a significant role in helping me secure two good campus placements with Asian Paints and bluestone. The knowledge and skills that I gained during my time at the college were instrumental in my success, and I owe it all to BIITM. In conclusion, my experience at BIITM was nothing short of extraordinary. The diversity of students, the best teachers, and their behavior towards students made it a remarkable journey. I am grateful for the education and opportunities that I received, and I will always cherish the memories and skills that I gained at BIITM.

*"Education is the manifestation of perfection already in man." - Swami Vivekananda*

After the completion of the graduation already I have my certificates and education with me. But BIITM is the place which gave that manifestation of perfection.

Initially the day from joining to job crack to farewell, the staff always stood beside me as a friend, philosopher, guide and pathfinder.

As I stand here today, amidst the echoes of laughter and the silent tears, I can't help but reminisce about the journey I embarked upon in pursuit of knowledge and growth. Our time at this esteemed institution, pursuing our MBA degrees, has been nothing short of transformative. From the early mornings spent poring over case studies to the late nights brainstorming for group projects, each moment has contributed to our personal and professional development.

I joined over here in a B school but don't know how it became my family.

Always the faculties stood beside me as a pillar of support. The placement department and its faculties have helped me a lot to gain the career growths and especially the backbone of BIITM Mr.

K Chandrasekhar Sir. I am really glad and honored to be a part of this family. And whatever I gained in the 2 years from BIITM will help me to build my career. Collaborating with diverse classmates from various backgrounds enriched my learning experience, broadening my perspective and refining my teamwork skills. The rigorous curriculum, coupled with practical projects and industry exposure, equipped me with the skills and confidence needed to thrive in today's dynamic business landscape. Overall, my journey at BIITM College was transformative, preparing me for the challenges and opportunities that lie ahead in my career.

The strength of Biju Patnaik institute of IT and management lies not only in its comprehensive curriculum but also in its dedicated faculty and robust support systems. I am immensely grateful for the individualized attention and mentorship I received, which transformed my academic experience and prepared me for the challenges of the corporate world.

Upon joining the college, I struggled with effective English communication, which significantly impacted my participation in group discussions and class presentations. Recognizing this challenge, the faculty stepped in with personalized assistance, offering constructive feedback and supplementary resources to enhance my language proficiency. Moreover, the training and placement department played a pivotal role in preparing me for professional endeavors. Through

rigorous soft skills development classes, interview preparation sessions and mock interviews, I gained invaluable insights into corporate expectations and refined my interview skills. As a result, I successfully secured offers from three reputable companies, a testament to the effectiveness of the college's training initiatives.

My experience at BIITM has been tremendous. Including the placement, highly qualified faculties, teaching sessions, ambience, extracurricular activities and so on. However, the foundation for a successful placement and career was laid well in advance. Workshops and seminars organized by the college played a crucial role in equipping us with essential skills. Sessions on resume building, mock interviews, and soft skills development were particularly beneficial. These sessions provided not just knowledge but also the confidence to face Overall BIITM has not just given me chance to prepare myself for the future challenges and opportunities but has also helped and guided me to excel in my professional career. Apart from the regular classes we have always provided additional courses with proper certification and classes as well, which not only helped our academical performance but added equal value to our resume as well. There have various volunteering activities conducted by BIITM and maximum students have actively participated in those which helped us to gain a practical knowledge and a new experience as well. I am extremely grateful to BIITM for all these opportunities. I owe it all to BIITM for this wonderful and knowledgeable journey.
