BIITM ACHIEVES DISTINGUISHED RECOGNITION FOR EXCELLENCE IN SUPPORTING BPUT TECH CARNIVAL 2025

Biju Patnaik Institute of Information Technology & Management Studies, Bhubaneswar (BIITM) was honored for its outstanding support and valuable contribution toward the successful conduct of events at the BPUT Tech Carnival 2025. The award was presented during the Award Ceremony of BPUT Tech Carnival 2025, held at Rail Auditorium, Bhubaneswar on 26th February 2026. The recognition was conferred by Biju Patnaik University of Technology (BPUT), Rourkela in appreciation of BIITM's proactive involvement in facilitating technical and academic events during the carnival. The award ceremony was graced by distinguished dignitaries and eminent personalities from academia, arts, and sports. Prof Amiya Rath, Hon'ble Vice Chancellor, BPUT, Rourkela, emphasized the importance of holistic development in shaping well-rounded students. Prof Kshiti Bhusan Das, Former Vice Chancellor, Central University of Jharkhand and Guest of Honour, highlighted the significance of academic excellence and collaborative learning in advancing higher education. Shri Sudarshan Sahu, eminent sculptor and Padma Shri awardee, delivered an insightful address on Odisha's rich sculptural heritage

and its cultural significance. Smt Minati Mohapatra, Arjuna Awardee athlete, inspired students by underscoring that excellence in sports and academics together contribute to building strong character and responsible citizens. Mr Ravi Kumar Katulu, Former Indian weightlifter, shared his inspiring journey and encouraged students to remain humble, dedicated, and resilient in their pursuits. Our students bagged awards across multiple competitions, with Chandrakanta Biswal and Tamana Nayak winning the Business Case Study, Manesh Das and Raghupatuni Dinesh Patnaik excelling in the Finance Modelling Competition, and Sairaj Premanjan Behera and Anmol Patra emerged winners in the Business Quiz. This recognition marks a proud milestone, reinforcing BIITM's role as a valued partner in advancing technical education and collaborative academic initiatives.
