NEWS ON WORKSHOP OF “COURSE FILE PREPARATION AND CO-PO ATTAINMENT”

A one-day workshop on “Course File Preparation and CO-PO attainment” was conducted in the BIITM campus. The first session took place in the KD hall of the campus where Dr Neha Gupta, Coordinator IQAC, welcomed the august gathering. Dr Mihir Ranjan Nayak presided over the session and gave the introductory address.

The first session was taken by Prof Dr Dhananjaya Beura, HoD, Marketing where he emphasized the importance of CO, PO with a case study example and elaborated to the faculty members the process of framing their own COs-POs of their respective

subjects. The technical session 2 was handled by Mr Amiya Ranjan Das, Assistant Professor (IT). He spoke on the topic “Mapping POs, PSOs and COs”. This workshop would be immensely helpful for the faculty and the B School authorities in mapping the COs, POs.
