## Entrepreneurship Workshop at BIITM

A-5-day "Entrepreneurship Educator Program" was organised in BIITM campus from May 29 to June 2 in collaboration with NEN, Wadhvani Foundation. The program was directed towards imparting training to trainers so that they can properly teach and prepare the budding entrepreneurs of different educational institutes towards getting a clear picture of starting a start-up. Samarendra Sahoo, Director General, IED, Odisha in his inaugural address, elaborated on how the entrepreneurial ecosystem in Odisha has shown exemplary improvement in the last few years. Prof. P.K. Tripathy, Principal, BIITM emphasised the role of the teacher participants in transferring knowledge to the budding entrepreneur in different institutes and encouraging them to imbibe the entrepreneurial skills. Barada Prasanna Panigrahi, Coordinator of NEN, Odisha and Dr. Basanti Venugopal, Trainer of NEN conducted the five-day workshop, and Prof. Shovasis Mohanty, Asst. Professor (Marketing) coordinated the program.
