BIITM PART OF BPUT TECH CARNIVAL-2023

The BPUT Tech Carnival, held on the 7th of November 2023, showcased the brilliance of young minds through a captivating Case Study Competition. The event was graced by a panel of distinguished judges: Dr. Sudhir Das, Consulting Director of Navadurga Group, and Shri Manoranjan Panda, Delivery Director at TATA Consultancy Services. Their presence added a touch of excellence to the competition. A total of 36 groups participated, each displaying their ingenuity and problem-solving skills. After a

rigorous evaluation, the competition narrowed down to 5 exceptional groups. The winner will be awarded on BPUT Foundation Day.
